To:

Gregg K. Weiss – serving We The People of Palm Beach County as Commissioner
301 N. Olive Avenue, West Palm Beach, FL 33401

**AFFIDAVIT OF TRUTH AND FACTS
AND NOTICE OF CLAIM**

**Your violation of your Oath of Office
Your violation of Constitution of The United States of America
Your Treason against We The People you supposed to
represent**

I, living woman Dagmara of family Ragone, one of the People, on this 5th day of April, 2023, demonstrating credible nature and of lawful age, by my own free will act and deed, in execution of my will and affirmation does state:

On April 4, 2023 during Palm Beach county **public** Commissioners meeting **that is intended for We The People come and voice our ideas, concerns, petition to redress grievances etc..** my Un-a-lien-able Right to Peacefully Assemble, Free Speech and petition public servants to Redress Grievances guaranteed by 1st Amendment of the Constitution of the United States of America **was trespassed on and violated by you living man Gregg** of family Weiss.

1. You stated (see video from that meeting

<https://discover.pbcgov.org/countycommissioners/Pages/bcc-meeting-videos.aspx?videoid=bcc/2023/20230404-bcc-pm-mtg>

15min 06 seconds mark – 15min 43 seconds mark)

“we can not hold any displays” – that violates 1st Amendment right of freedom of speech and petition government to redress grievances.

2. When people started yelling questions ‘based on which statue?’ and yell to remind you about Constitution (you took an Oath to uphold!!!) and that we have 1st Amendment right to free speech **you issued threat of armed removal from the room by Sheriff deputies.** You refused to uphold the U.S. Constitution that you took an Oath to uphold and provide based on which statue displays can not be held (even if such a statue exists it does not overrides the Constitution!)

Constitution is Supreme Law of The Land and any “statue” in conflict with Constitution is null and void automatically.

But you failed to even quote any statue that would support **your claim.**

15min06sec - 15min43sec

Gregg says: **"one more time no more public displays"**

People yell on which statue? And we have Constitutional right to redress grievances

Gregg says : **"deputy people are yelling, if you yell you will be removed".**

We The People have our Unalienable Right to Peaceful Assembly, Free Speech and petition our **public servants** to Redress Our Grievances guaranteed by 1st Amendment of the Constitution of the United States of America.

We The People are top authority and government, you are our elected public servant, paid by us to provide us with administrative services and above all to protect our Unalienable Rights guaranteed to us by Constitution –

to which you took an Oath of Office to protect and uphold !

The unalienable rights of the people are the PRIVATE PROPERTY of the People; The Right to Just Compensation is the PUBLIC PROPERTY of the People, the exercise of which is conducive to the general interest and protected by The Constitution and the laws made in support thereof, and; **by denying We The People right to Free Speech and Redress Grievances you are engaging in** (included but not limited to):
