By not rebutting any parts of said Affidavit you lawfully accepted and confirmed all the crimes and rights violations you are accused of in said Affidavit and you agreed to all transgression charges listed in said unrebutted Affidavit.

Certified Judgment of Unrebutted Affidavit has been recorded on the land with recorder's office.

Dagmara Ragone

Seek God's forgiveness for what you committed against The People in Palm Beach county and you should step down and issue public apology – many died and will die because of your participation in New/Liberal World Order genocide agenda - Covid-19. Your family will have to live in disgrace of your pro-satanistic genocide choices long after you are brought to justice and gone from here... If you have any mercy on your family members you will publicly drop to your knees and beg The People for forgiveness, it will not remove you from the accountability but it may make their life easier after you are tried by our military for treason and crimes against humanity you committed.
